Golden Buckeye Program

The Golden Buckeye Program offers savings at local businesses that participate in the program. You can buy goods or services at a discount ranging from 20% to 50%. Most businesses that participate in the program display the Golden Buckeye logo on their door, in their window or at the checkout. Look for it wherever you shop. If you don't see it, ask if the business offers a discount for older customers. **Prescription Drug Savings** - The Golden Buckeye card now includes the Ohio's Best Rx prescription drug discount program. Best Rx lowers the cost of your prescription drugs if you do not have prescription drug insurance coverage. You can save an average of 30% to 40% on prescriptions at more than 2,300 participating pharmacies. Call Ohio's Best Rx toll-free (866) 923-7879 or visit <http://www.ohiobestrx.org> for more information, to look up drug prices, to find participating pharmacies and more.
